

# 1150AT

Forage Harvester

## At JF, we take your forage seriously! What about you?

Find out why JF 1150 AT is the farmers' favorite solution for harvesting sugar cane, tropical grasses and for using higher power tractors.

## FEATURES

- ✓ Wider row-independent header with front drums, gathering platform, and aligners with an exclusive design for constant harvesting flow and lower stress for transmission. In maize & sorghum it harvests 3 rows at a time with row spacing of 45 cm; and 2 rows at a time with row spacing of 90 cm.
- ✓ Unmatched versatility: designed for harvesting sugar cane, tropical forage such as napier and elephant grass, as well as winter forage like oats and barley;
- ✓ Heavy-duty transmission calculated for tough jobs, featuring special gearboxes;
- ✓ Extra-sized gathering platform with 4 drums and spring-loaded drum for a more precise chopping, as well as central lubrication system for quicker maintenance.
- ✓ 16 extra-sized "C" technology rotor blades for higher processing power and chopping precision with built-in sharpener;
- ✓ 12 chop sizes available with easy shifting, perfect for working in various forage, harvesting, and dry matter conditions.

## With JF you take complete control over the time and manner your forage is harvested!

Extra-sized blades

4 drums: more precision!

Central lubrication

### KERNEL PROCESSOR

+ PRO Kernel Processor: +PRO processes grains for higher energy in the feed and less fecal starch. Working together with "C" technology rotor blades, this system delivers the correct fiber sizes for a healthy rumination and better animal performance.

## TECHNICAL SPECS

Capacity	up to 42 ton/h <sup>2</sup>	Chop sizes	12 (from 3 up to 21mm)
Working width	1,20m <sup>1</sup>	Number of blades	16
Required power at PTO	from 85 up to 130 hp	Approximate Weight	1312kg
Required revolution at PTO	540 RPM	Linkage type	cat II
Drive	Tractor PTO	Transmission system	gearbox / cardan

<sup>1</sup>Productivity might vary and depends on the following factors: cut size; productivity of forage per hectare; tractor power; logistic capacity (wagons) for forage transportation. Before acquiring the equipment, please talk to your dealer about the size of your tractor tire.
